College Readiness

Dr. Sue Cain

May 20, 2009

10 a.m. EDT

(registration at 9:30 a.m.)

Attend this workshop and find the answers to the following questions:

What is Kentucky's definition of college readiness? Is there a national definition for college readiness? The answer is that we do have definitions, and we are not just talking test scores.

Are more Kentucky students ready for postsecondary education? What are the readiness challenges and opportunities we face?

What are the specific skills and attitudes postsecondary institutions expect students to have as they enter college or the skilled workforce? Are the skills the same for college and workforce?

What are postsecondary institutions doing to promote college readiness in Kentucky? Come hear how we are meeting the readiness challenge and receive a catalog of best practice ideas.

What are the best strategic practices for advising and support services personnel working for students entering college underprepared?
